

ST. JOHN'S CHURCH OF ENGLAND PRIMARY SCHOOL		CLASS: Kingfisher & Heron Classes Year 3	TERM: Autumn 2 - 2022	
ART & DESIGN: We will continue to practise and develop drawing skills.		ENGLISH: Dreams and Curiosity Writing, spelling and grammar will be linked to quality texts. The first text will be the BFG by Roald Dahl. We will explore the language that Dahl used and the children will write character descriptions, instructions, letters and narrative. Our Guided Reading sessions will also be linked to the BFG. Our next text will be The Tear Thief by Carol Ann Duffy. We will write letters of explanation as well as poems. Grammar and handwriting practice will be ongoing.		DESIGN & TECHNOLOGY: <u>Juggling Balls</u> The children will explore and evaluate different juggling balls. The design brief will be to design and make a circus-themed juggling ball.
GEOGRAPHY: This links to our history topic. We will be locating Rome on a map and learning about the countries that the Romans invaded and the reasons for these invasions. We will focus upon Britain and why the Romans came to settle in particular areas.		MATHS: The main areas of maths that we will be focusing on this half term will be: Calculation: Addition and Subtraction; Multiplication and Division. We will continue to practise number facts such as number bonds and times tables.		HISTORY: We will be looking at the history of the Romans in Britain. We will learn about the Roman invasion and what it was like to live in these times. As part of our topic we will research famous leaders (such as Caesar) and their influence during this time.
		TOPIC/THEME: What Happened When the Romans Came to Britain?		
		TRIPS/EXPERIENCES: Roman Day Remembrance Christmas Events		
LANGUAGES: FRENCH <u>All About Me</u> This unit will teach the children to understand and follow instructions, name parts of the body, identify colours and say what they are wearing		SCIENCE: Forces and Magnets We will learn about forces, friction and magnetic attraction, in the context of pushing and pulling. The children will work scientifically and collaboratively to investigate friction, by exploring movement, to identify magnetic materials. We will carry out investigations into the strength of different types of magnets and create their own magnetic game. Through this topic the children will develop scientific enquiry skills.		MUSIC: Year 3 will be learning how to sing in unison and harmony. They will also be preparing songs for Christmas.
PHYSICAL EDUCATION: Team games and Invasion games. The children will continue to have quality PE lessons with our wonderful coach, Mr Parsons.		COMPUTING: <u>Creating Media</u> We will explore the process of animation.	RELIGIOUS EDUCATION: What do Christians believe about God? We will be learning about the Bible, the relationship Christians have with God, and how people are welcomed into the Christian Church.	PSHE: We will explore friendship - the best features as well as what happens when we fall out.
HOMEWORK: Weekly Spellings Multiplication Tables (TTRock Stars) Daily Reading
