

Friday 10th November

Work for home.

Dear Children,

- Today, I would like you to access your Epic Reading Class Account and spend 30 minutes reading. This will be FREE between 7am and 3pm. Don't forget to ask an adult to record this in your yellow reading diary. Over the weekend, don't forget to read your school book and/or any home books you are enjoying, and record them in your diary.
- Please spend 30 minutes on your TT-Rock Star account either today or during this weekend. Don't forget go into the 'Studio' learning to compete for a special certificate, should you manage to beat the clock. You could watch the times tables videos in the maths star, if you wish.
- You have been given your spellings, so you can do your Look, Cover, Write, Check sheet.

The rest of the day will be mainly a history day, finishing some learning about 'Stone Age to Iron Age'.

Please find two links below. They both have a short teaching video and activities to complete. I have sent you home with the printed quiz activities (one for each part). Stop and start the videos to complete this. Have a go!

First part... 'How did the Bronze Age change how humans lived?'

<https://www.thenational.academy/teachers/programmes/history-primary-ks2-l/units/prehistoric-britain-b65f/lessons/how-did-the-bronze-age-change-how-humans-lived-6dhpce>

Second part... 'Who were the Celts and why did they use iron?'

<https://www.thenational.academy/teachers/programmes/history-primary-ks2-l/units/prehistoric-britain-b65f/lessons/who-were-the-celts-and-why-did-they-use-iron-cnkhjr>

Have a good day and see you on Monday morning.

Miss Eddy x
