The 1:10pm session after Dough Gym changes each day. This is our Understanding of the World area of learning.

Children might investigate different cultures and traditions, experiment with simple science concepts, explore nature, learn about people who help us, or use age-appropriate technology. These sessions are hands-on, encouraging curiosity, observation, questioning, and discussion to deepen their understanding of the world around them. These include:

What is choosing time?

This is when the children have access to the continuous provision. Continuous Provision in the Early Years Foundation Stage (EYFS) refers to the resources and environment that are always available to children—without the need for adult direction—so they can explore, play, and learn independently and at their own pace.

Children wear PE kit on Monday. If possible, please can your child have wellies in school on Wednesdays.

Snack is provided by the school; however, you are welcome to send your own if you prefer. We kindly ask that any snacks brought from home are fruit or vegetables only. Thank you for your support.
