

Year 2 Geography Knowledge Organiser Summer Term 2026

This term, in Geography we will learn about the seaside. We will learn about seaside environments; finding out where they are located in the United Kingdom and seaside resorts nearest our locality using maps, aerial photograph, webcams and developing our key vocabulary. We will learn about the similarities and differences between seaside resorts and their own locality, looking at how resorts have changed over time.

Our Nearest Seaside

Minehead

Exmouth

Key Vocabulary

holiday shore
ocean sand
coast harbour
port tourist
resort water
natural island

Physical and Human Features

A seaside resort has many physical features. Features such as the beach, the sea, cliffs and caves have been made naturally. This means they were made by nature.

Human features found at the seaside might include the pier, the promenade, a lighthouse and a fairground. These features are all man-made.

Seaside Holidays in the Past

There are lots of seaside resorts in the United Kingdom that have been popular for many years. In Victorian times, people would travel to the seaside to enjoy activities, such as a puppet show, walk along the promenade or to go sea bathing. The Victorians believed that the sea air was good for you and that sea bathing would make you healthy.
